**Experience that drives the industry.
Design that defines it.**

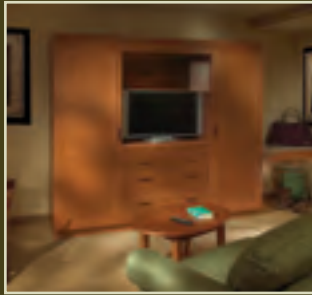

We're visionaries. We're trendsetters.

We're constantly re-imagining the allure of stylish American hospitality furnishings. We're Artone. And you won't find the slightest hint of pre-fabricated, cookie-cutter design here.

We specialize in transforming conceptual ideas into attractive and functional reality. Which means each and every piece of furniture we make is unequivocally your own. Designed to your exact specifications. Manufactured flawlessly. Delivered on time. And installed seamlessly to ensure your complete satisfaction.

Total hospitality. Total commitment.

At Artone, the possibilities are limitless. Our expert team has the know-how and the determination to face any design challenge head-on and deliver a product that's as unique as it is beautiful. In fact, our goal is to assimilate our custom furnishings into any environment—and any décor—as naturally, tastefully and efficiently as possible.

American made. American strong.

Made in America.

It's more than a declaration of manufacturing origin. It's a testament to what our company stands for. And what we collectively believe in: Hard work. Painstaking attention to detail. Unwavering pride in our country — and our livelihoods.

As an American owned and operated company, you can rest assured that we will remain responsive to your ongoing needs. We have the capability to make integral product changes while still maintaining the most stringent of deadlines. We can offer **reduced freight costs**, **timely delivery** and **competitive pricing** versus those manufacturers based outside of our country's borders.

Simply stated, furniture by Artone is American made through and through. Allowing us to deliver unmatched products, unparalleled service, and quality that's second to none in the world.

Our quality speaks for itself. Our customers wholeheartedly agree.

We don't mean to brag, so we'll let our customers do the bragging for us. Following are just a few comments from loyal Artone partners who have benefited from our services throughout the hospitality industry.

“Artone worked very closely with us throughout the whole process and delivered a quality product, **on time** and at a **reasonable cost**. They worked **more as a partner** than a simple vendor to ensure that our timelines were met.”

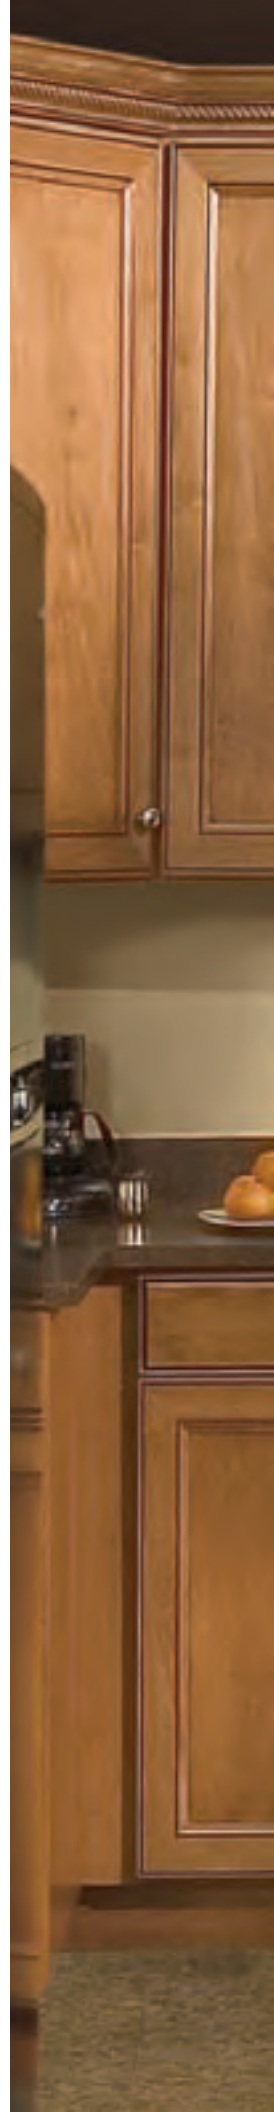

“**Artone's follow through and attention to detail was impeccable** – from original sample room prototypes to the arrival of the final truckload of pieces. The level of quality in both their shop drawings and final products makes Artone superior.”

“No matter what our needs were, they were always handled **promptly and effectively** from start to finish. We are very pleased and proud of the product that was produced by Artone. **The meticulous workmanship is outstanding.**”

“The service we were provided was exceptional. Artone clearly stood out from other companies of their type. Their product was **intelligently designed, easy to install**, and of **superior quality.**”

“After visiting your facility it was obvious that Artone **puts a tremendous emphasis on quality and customer service**. Artone's knowledge of the business, as well as the manufacturing process, was instrumental in making “On the Fly” decisions to benefit our clients.”
