3100 N Tenaya Way  
Las Vegas, NV 89128

At Artone, we understand the needs of the healthcare environment. We designed the furnishings at Mountain View to be comfortable versus clinical, while offering practicality and functionality.

The furniture helps improve the independence of the residents of Mountain View and make them feel at home, while helping the staff perform better and reduce overall costs of the facility.

### Product supplied:

Artone furnished 37 rooms of furniture to Mountain View consisting of: Wardrobe, Chest of Drawers and a Nightstand. The unique wall-mounted design of the Wardrobe and Chest of Drawers expands living space and improves accessibility for wheelchairs.
